### **E. IZCS disclaimer and confidentiality**

This RFP does not commit the IZCS to award a contract. The IZCS reserves the right, in its sole discretion, to accept or reject any or all proposals, to negotiate with any or all candidates, or to cancel, amend, or postpone this RFP in whole or in part at any time. IZCS does not assume and shall not have any responsibility, liability, or obligation to any person in connection with this RFP or its analysis or assessment of any or all responses (including proposals) to the RFP, and the IZCS reserves the right, in its sole discretion, to choose one or more managers based on whatever criteria it deems necessary and appropriate at any time. If the IZCS decides to award this RFP, in whole or in part, IZCS will then begin contractual discussions with the selected candidate(s) and, contingent on the outcome of these contractual discussions, IZCS will not reimburse any candidates for any expenses incurred in preparing or submitting proposals or providing information to IZCS in connection with such proposals. IZCS reserves the right to retain all proposals submitted and to use any ideas in any proposal regardless of whether such proposal is selected by IZCS. To the extent permitted by applicable law, IZCS and the candidates will treat as confidential any information provided to each other in connection with this selection process unless such information is otherwise made public by a person other than IZCS or the applicable candidate. IZCS also reserves the right, at its sole discretion, to record such telephone or videoconference interviews.

In the event that personal data is provided to IZCS in the course of this selection process, the submission of a proposal means that the IZCS is authorized by the owners of the information to receive said data as well as to process (by collection, storage, use, circulation, or deletion) all information provided in the course of the selection process and in connection with the negotiation and fulfillment of the Discretionary Advisory Agreement derived from this selection process (including any subsequent amendment or termination thereof), as well as for surveys, the development of studies and analyses regarding this selection process,

including the construction of indicators and statistics for monitoring and control of these activities, and those within the IZCS's competence.
